Report of Principal and School Improvement Council

Johnsonville Elementary School had a fulfilling 2013/2014 school year.

Our students continue to excel each and every year. The Duke University Talent Search recognized 4th grade students this past year for their academic excellence. Excellence continues with our students through their character building activities throughout the year. Our "Sparks" worked hard in helping with causes such as St. Jude's Children's Hospital, Johnsonville Fire Department, food drives for Caring and Sharing, Breast Cancer Awareness and clothes drives. The generosity of our students and community has been phenomenal.

Excellence is also noted in the accomplishments of our teachers. Three teachers received their recertification for National Board Certification. Another teacher is president of SC2 and represented the east region at the National Science Conference. Our teachers have been working diligently with Core Curriculum through our teacher inservices - "Teach Like a Pirate" is our theme.

Without the support of a great community, parents, and volunteers, Johnsonville Elementary would not excel as it does. A sound curriculum, an outstanding faculty and staff, and an exceptional student body all aid in making JES the great school that it is.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Johnsonville Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
